

ST FRANCIS XAVIER
6th FORM COLLEGE

A photograph of a gymnasium with several students walking on treadmills. The image is overlaid with a purple tint. In the foreground, a young woman with long dark hair is walking on a treadmill, looking down. Behind her, a young man is walking on another treadmill, looking forward. Further back, another student is visible. The gymnasium has large pipes on the ceiling and a clock on the wall.

Student Enrichment at SFX

Student Enrichment at SFX

Student enrichment not only complements and supports the student's main programme of study, but also allows our students to develop new skills, build on those they already have, maintain a healthy lifestyle, interact with other students beyond their class or tutor group and enhance their CV or university application.

SFX offers a rich and diverse enrichment programme delivered by our expert teachers and staff.

"Students take part in, and enjoy a wide variety of activities outside of their lessons."

OFSTED Report March 2018

Enrichment Facilities

- The Fitness Suite - A fully equipped gym available for students to use following an induction.
- The Learning Resources Centre (LRC) - stocked with over 30,000 books, DVDs and resources, more than 70 computers and over 40 desks to be used by students as study space.
- The Chapel and Chaplaincy – The Chapel is open every day for students and staff wanting some silent time for prayer and reflection. A multi-faith divided prayer room is also available at all times. Further enrichment activities are available through the Chaplaincy, allowing students to support local, national and international communities.
- Careers Department – offering UCAS support, one-to-one meetings, job and interview training, the Annual Higher Education and Careers Fairs and providing information on opportunities such as summer schools, university taster days and apprenticeship adverts. We also offer an Oxbridge and Russell Group Programme to support exceptionally able students in their application to the top universities.
- The Music Studio – fully working studio bookable for use by all students.

Clubs and Groups: Special Interest and Hobbies

- The Charity Committee – projects include bake sales, running a King's Road charity shop for a day at Christmas and organising a "Walk for Freedom" to raise awareness of human trafficking
